In order to be a good track team, it takes a lot of hard work and determination. This year's team had that and it paid off. They finished the season undefeated (5-0) and won the North Kitsap Relays. This year there were two new hurdle events (110's and 330's) but the girls took them right in stride. The hurdlers were lead by Kochelle Kingman, Anna Frazier, and Jan Reynolds. Along with an undefeated season, NK had some undefeated runners. These were: 2-miler, Ann Armstrong; Miller, Corrine Calvo; and 880'er Colleen Calvo. The NK girls were also blessed with speed this year. This came with Freshman Jill Boon, Kathy Miller, and Evon Ennix. The Viking team was also strong in field events. They were lead by Debbie Hewitt, Kathy Iverson, and Kochelle Kingman. The girls show strong promise for future teams. With the finish of a strong dual meet season, the girls hope to go right on to State.

Go get 'um Jessica.

TENNIS 1980. Tennis, the Viking's only co-ed team, played in a new league using a new format. The team was led by senior veterans, Ed Shultz and Janice Smith. As a junior, Ed was the district's singles champion and captured 4th place at state. Janice has been a member of the varsity team for four years. She is second on the all-time list for most career singles victories by a girl. Led by Ed and Janice, the team finished the season in second place, losing by the narrowest of margins to Gig Harbor. Meanwhile, the Junior Varsity team completed its first season with an undefeated record in league play. The players are looking forward to qualifying for the State Tournament.

VARSITY BASEBALL

The main goal of this year's baseball team was to play for the State Championship in the Kingdome. This year's team had many nicknames: Tony (worm) Webb, Jim (Ox) Heggenstaller, Greg (Dick) Ballard, Paul (Flex) Fisher, Tony (Feli) Trujillo, Scott (Sag) Sageser, and Virg (Red) Taylor. One thing that the team will always remember is when Greg Ballard tripped over first base. Another thing that the team will always remember is trying to imitate Coach Taylor's laugh and walk. This year's team had a very successful season. Congratulations, team!! They had a 13-5 record with 3 unplayed games.

JV BASEBALL: This year's JV Baseball team main goals were to pull together as a team and to gain experience for the future Varsity team. Some of the things that the team will always remember are when they played Bainbridge, and winning the double headers with Gig Harbor and Peninsula. Unusual incidents that happened were: John Ridge building sand castles at Gig Harbor, Jeff Reitan trying to whistle the National Anthem and playing "Name That Tune" with the rest of the team, and when Gig Harbor came here and we went to their school on the same day for the same game. What a mix-up!!! The team ended up with a season record of 8 wins and 6 losses. The team holds much promise with their valuable talent for next year's Varsity team.

JUNIOR-SENIOR PROM JUNIOR-SENIOR PROM

This year's Junior-Senior Prom was one to remember for all. The Junior royalty was princesses Terr Alford & Coleen Calvo with princes Kurt Waggoner and Jace Cutler. The Jr. Queen was Corrine Calvo, the Jr King was Pat Rodgers. The ViQueen this year was Lisa Maki, escorted by Viking Tony Karkanien. The theme this year was "Small Paradise," and the band was the "Ears." A good mixture of theme & band. Everybody will remember the joy and excitement of attending the prom and we shall also remember the agony of waking the next morning

This year's football team had a tough row to hoe. Led by quarterback Kevin Mourer and running backs Alan Mace and Tony Webb. The Vikings were not an extremely powerful team, but with consistent offensive and defensive efforts by George Minder and Co., the team showed a lot of character through the hardest times. They showed this in their comeback attempt against Peninsula, the No. 1 rated AA school in the state. The Vikings ended their season with a 4-5 win loss record

Football cheerleaders

The 1979 Football Cheer Squad consisted of seven very crazy girls. It included Teri (Alfie) Alford, Patty (Disco Pat) Albrecht, Teresa (Morganberry) Morgan, LeOnna (Twinkle Toes) Small, Terri (Fry-Baby) Fry, Grea (Speed Racer) Bean, and Vicky (Hot Hips) Xenos. The advisors were Mrs. Hill, Mrs. Goodwin, and of course, Coach Parrish.

The captain this year was Vicky. The girls sure laughed a lot, but who wouldn't when they did so many crazy things? Grae locked Vicky and Teresa in a laundry room, they crammed 12 girls into a Greyhound bus bathroom and they even had tried to hide Vicky's car from the cops. (?) Teri and Terri were always doing sign language with the cheers too

Close, but no cigar. High hopes aimed for a state title as the season progressed. The girls remained unbeaten through their first four meets when they hit a streak of bad luck. N K.'s top three runners got lost and lost the meet. However, they recovered quickly to capture the Seamount League's Sea Division Title and then to become the West Central District Champions. Then it was on to State, where, unfortunately, they were plagued with injuries, and placed a respectable 5th place

This year's golf team was small and young. They had to practice at Meadowmeer on Bainbridge Island which meant a lot of traveling. They gained a lot of experience that will prove to be valuable next year. Good luck to next year's team.

BOYS VARSITY BASKETBALL BOYS VARSITY BASKETBA

This year's boys basketball team got off to a slow start, but once they got rolling they really worked as a team. Part of this is due to a lack of experience in the beginning of the season. However, they got the game together and fought some real battles. Dan Butler was the team captain, as well as a super player. Next year's team should show promise with returning Junior, Scott Forsyth, Sophomore, Dan Eisses, and Freshman, Tim Heins.

What do these eleven girls have in common? They all like to scream and yell and jump around almost every Friday and Tuesday Night. Why? For fun, what else? Cheerleading is fun but it is also a lot of work. They have to think up cheers, make routines, and practice practice practice. If they practice any more you would think that they were the basketball team

The North Kitsap Girls Basketball team had another terrific season this year. they were led by senior Kathy Iverson, who seems to be at least a head taller than everyone else in the league. North's team has a bright outlook for next year as 4 starters are juniors. They were Debbie Hewitt, Laurie Small, Kim Moore, and Kochelle Kingman.

WRESTLING WRESTLING WRESTLING

This year's wrestling team had a good season. Some outstanding wrestlers were Paul Brown, Warren Posten, and Jeff Lindgren. They had a pretty good team without their holes. They were forced to forfeit 129 and 135 weight classes for most of the season for a lack of these wrestlers. Congratulations on a fine season.

Oh, I'm so tired.

The Drama Club is doing great this year. We re-did the annual Shakespeare presentation to the English classes by highlighting different plays. Our successes last year allowed us more flexibility this year. "The Time of Your Life" was put on in February and some students were allowed to help in the direction of the plays. We've developed many talented actors and actresses. "Break a leg!"

The hand picked members (we wanted quality rather than quantity) was headed by our editor, Ann Armstrong. Returning this year as experienced photographers were Ken Tuomi, as Photography Editor, and Chad Dahlquist.

Senior members are Anna Frazier (Business Manager), Bill Henry & Dan Butler (Layout), Scott Lowe & Mike Murray (photography) Juniors consist of Cyndy Napier (Assistant Editor), Cathy Pande & Melody Lashley (Gophers)

We decided on the theme "Reflections", and put in 16 pages of color of the senior class, plus had a special cover for the seniors. We also published a record of 900 copies

I like U.S.A. because the people is wonderful. I am living here because I want to learn English and the customs of this country. I feel very well in this school. I already have many friends, who are very friendly and they are very nice.

I love the food, specially sandwiches and the cereals.

I am very cold because it was summer in my country when I came here, but I saw snow for the first time in my life, and I think it is great. I loved it very much.

At first I was very hungry at lunch time because that's our time to eat. And now I have to eat at school which is very strange.

Sandra de Castro
Country: Brazil

My stay in America is giving me a wonderful experience for sure.

Of course everything was very different and surprising at first, and now I feel ever better because I got a lot of friends and can communicate pretty well.

My goodness, I was just frozen in the first months. Now I would not believe that I got used to that, wearing thousands of clothes of course.

About school? Terrific.

The friends? Boy, they are excellent.

About the boys? Well, it's too early to tell later.

P.S. And I love my new family.

Jordi Jaume Bru
Country: Spain

A new school, new people, a new experience. I never thought I would make it. It was hard at the beginning and a lot of people helped me a lot.

I want to thank to all the people that didn't get mad at me when I opened my mouth too much (what was 90% of the time).

But most of all, I want to thank my friends: Scott, Tony, Terry, Sherry, and Sara, especially Sara even when she was jealous.

At last, I would like to tell you that I've had more fun this year than in the rest of my short life, especially in that English class.

Lyn Watson
Country: Australia

As I have only been in America for a few short months I have not as yet been able to come to many definite decisions about it. But what I have experienced I have loved. In fact I have developed a definite appetite for the American way of life. Except for the American's odd habit of peanut butter and jelly sandwiches and the cookies.

Just as I have experienced new things, I have also learned that many Americans that I have had no contact with have learned new things from me. I don't start them now because that Australian thing I speak Australian, but they can't understand English. I don't eat kangaroo meat, keep pet kangaroos, or use kangaroos as a mode of transport.

There are many things I hope yet to experience and am excited during my stay here. But just as I hope to learn I also hope that I can share as much about Australia as I can. I have made many valuable friendships since I have been here and I hope that they will continue.

Zorica Ljubic
Country: Yugoslavia

My name is Zorica Ljubic and I'm an exchange student from Yugoslavia. In this short paragraph I'm suppose to tell you how I like it over here. If I start telling you about everything I do and I don't like I would need the whole yearbook for it. Because of that, I'm just gonna tell you that I've been here for 6 months and that I enjoyed every minute of it. Things are pretty different than in my country, but I've always liked to learn and meeting new people.

One thing I would like to suggest to you guys is to be more friendly than you are now. There are so many things that we will be able to learn and find out if you meet and talk to more people.

But everything else is okay so don't worry about it. NOBODY'S PERFECT! It was nice talking to you. See you later.
